Read the text. Are the sentences true or false?

Martin Blane is a farmer in Cornwall, in England. One summer, Martin noticed that something strange was happening on his land. He was standing on a bridge and looking at the wheat in his fields when he realised there was a strange picture in the wheat.

‘I looked and saw lots of circles in the wheat. The line of circles went across the field from the gate all the way to the end by the stream. They were very big. Other circles made a kind of picture in the wheat. I thought aliens had come from space.’

1 Martin Blane noticed that the animals in his fields were behaving strangely. _____

2 The big circles went from one end of the field to the other. _____

Read the text. Circle the correct answers (a–d).

India

Everybody knows that India is a huge country with an enormous population (there are around 1.2 billion people in India!). They also know that it has noisy, crowded cities, hot, spicy food, and some wonderful, historical sites, such as the Taj Mahal, a beautiful, white palace which a sultan built because he wanted to remember his wife, a princess who died when she still a young woman.

1 Which of the following topics does the writer *not* mention in the first paragraph?

- a the number of people
- b the things people eat
- c the size of the country
- d the temperature in the cities

2 Why did a sultan build the Taj Mahal?

- a To make his wife happy.
- b To remember his wife.
- c Because he wanted to live somewhere beautiful.
- d Because his wife liked white buildings.
